

JEFF FARM CADETSHIP OPEN DAY 2025

Meet the Team! Learn about the farm cadetship!

The team at Jeff Farm warmly invite all school leavers and other interested individuals aged between 16 and 20 years wishing to apply for a cadetship in 2026 to attend our open day.

Our open day will be held at the Jeff Farm Woolshed at 10am on Saturday 2nd August. There will be a meet and greet with staff and current cadets with morning tea provided, followed by an information session and farm tour.

Practical training in all aspects of sheep, beef and deer farming is delivered at Jeff Farm by our team of permanent staff, supported by various outside industry professionals in a fun and supportive environment. This is a 2-year course where cadets are an integral part of the day-to-day farming operation. The practical training is supported by all cadets completing a minimum Level 3 NZ certificate in agriculture delivered by Primary ITO.

**SATURDAY 2ND AUGUST
2025 10AM**

62 Jeff Farm Road

Gore 9772

**Off Old Coach Road/State
Highway 93**
